

Building 100

Powersource A: Location: _____
Max Watts/Amps: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Powersource B: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Max Watts/Amps: _____

Powersource C: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Max Watts/Amps: _____

Controller A: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Controller B: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Controller C: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Powersource A + Controller A (ZONE A)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Powersource B + Controller B (ZONE B)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Powersource C + Controller C (ZONE C)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 101/121/141/161/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Building 200

Powersource A: Location: _____
Max Watts/Amps: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Powersource B: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Max Watts/Amps: _____

Powersource C: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Max Watts/Amps: _____

Controller A: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Controller B: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Controller C: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Powersource A + Controller A (ZONE A)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Powersource B + Controller B (ZONE B)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Powersource C + Controller C (ZONE C)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 202, 222/242/262/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Building 300

Powersource A: Location: _____
Max Watts/Amps: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Powersource B: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Max Watts/Amps: _____

Powersource C: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Max Watts/Amps: _____

Controller A: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Controller B: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Controller C: Location _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Powersource A + Controller A (ZONE A)

Heat tape section (description, East/ West/ Apt 303/323/343,363/ downspout) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____

Year installed: _____ By Who: _____

verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Verification method: _____ (thermal imaging camera/ other)

Powersource B + Controller B (ZONE B)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____

Year installed: _____ By Who: _____

verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____

Year installed: _____ By Who: _____

verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____

Year installed: _____ By Who: _____

verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____

Year installed: _____ By Who: _____

verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Verification method: _____ (thermal imaging camera/ other)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____

Year installed: _____ By Who: _____

verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other

Verification method: _____ (thermal imaging camera/ other)

Powersource C + Controller C (ZONE C)

Heat tape section (description, East/ West/ Apt 121/141/161) _____

Length: _____ ft Watt/foot: _____ Total: Watts: _____
Year installed: _____ By Who: _____
verified working order: _____ date: _____ by: _____ Electrician/Roofer/Other
Verification method: _____ (thermal imaging camera/ other)
